Who says you can't have it all?

Fimat is Your Global Broker.

You are looking for specialist clearing and transaction services across a wide range of products as well as lending and borrowing services.

You are active across a range of asset classes spanning equities, bonds, currencies, commodities and their related derivatives.

You require centralised processing and reporting of your portfolio whilst enjoying the financial strength and global reach of a proactive institution.

You are a Commodity Trading Advisor, a Hedge Fund or Fund of Fund manager, an Alternative Industry Investor.

You may want to work with our Global Fund Services group.
